

Quick Start Guide

FaceKiosk-H13A/C

Version: 2.1

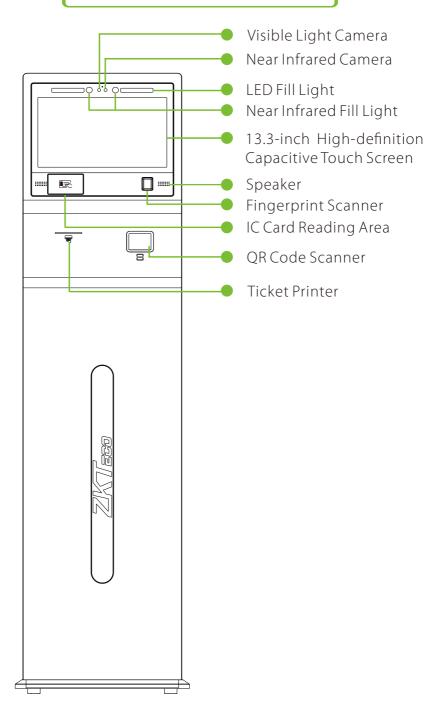

1. Components

Wall Mount Facekiosk-H13A

13.3-inch High-definition Capacitive Touch Screen

Floor Mount Facekiosk-H13C

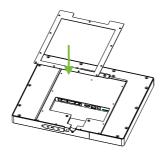

2. Installation Procedure

❖ Wall Mount Installation Procedure

Before installation, connect the wire to the device and move it through the device's lower aperture.

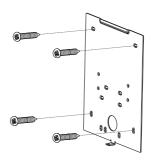

1 Align the backplate to the screw holes on the back of the device.

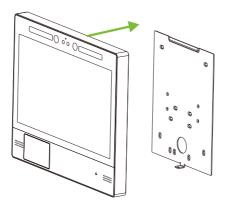

Secure the plate with the screws (11 pcs) to the back of the unit.

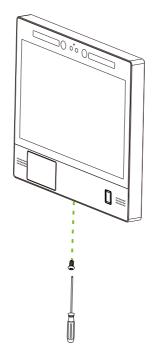

3 Place the rear panel at an appropriate height from the ground. Drill the holes on the wall and fix it.

4 Set the device at the desired position on the rear panel that is fixed on the wall.

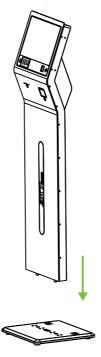

5 Secure the Kiosk by assembling the device and the rear panel with the bottom screw.

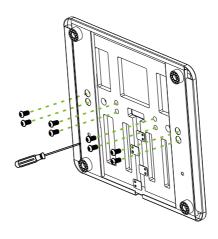

Floor Mount Installation Procedure

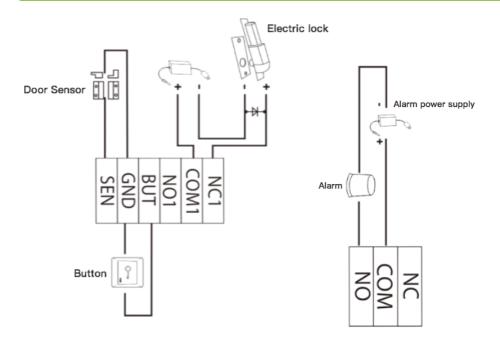

1 Take the device and the base from the box. Fix the device into the corresponding slot of the base plate.

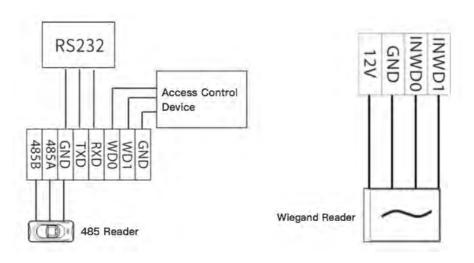

Cautiously incline the device horizontally and assemble the device over the base with the screws (8 pcs) from the bottom of the base.

3. Door Sensor, Exit Button & Alarm Connection

4. Access Control Device Connection

5. Operational Procedure
